The Evening Star is a new daily issued from Orlando by W. D. Yowell. It is a five-column folio, and starts out under very auspicious patronage.

The Miami Metropolis says: "What is the difference between Lipton and Dougherty? Give it up? Well, Dougherty was never beaten. See!"

Advertise in the Gazette-News if you want to reach the people. This paper can be found in nearly every home in the East Coast section of Volusia county.

Plans for the construction of work amounting to many millions of dollars have been recalled from the engineers and architects of large railway systems because of the recent frequent labor troubles.

Every dollar you spend with home merchants will some day find its way back to you. Trade with the dealer who helps to pay the running expenses of the city government, helps support the churches and schools, and who does you favors that you would not think of even asking of the dealer who does business in some distant place.

Congressional timber continues to come to the surface right along. The list of aspirants for honors in the Second District thus far is as follows: J. M. Barrs, A. O. Wright and C. L. Fildes, of Jacksonville; Frank Clark, of Lake City; Chas. Dougherty, of Daytona; J. E. Alexander and R. D. McDonald, of Deland, and all the back counties have not yet been heard from.

## FUNNY AIN'T IT?

Funny ain't it? But both Stockton and Dougherty claim their greatest strength from the wool hat boys, and yet their methods are so different.

Stockton dubs the Times-Union with a big D and calls it everything that is bad. But not so Dougherty, who cut off some flakes of tobacco, tore a corner of the Times-Union, made a cigarette of the tobacco and paper, and as he put it to his lips and struck a match on the subsequent end of his trousers, said: "I like that paper, best in the world; made of wood pulp, you know; don't injure the fellows nor corrode the silver on a man's tongue."—Times-Union.

For a bilious attack take Chamberlain's Stomach and Liver Tablets and a quick cure is certain. For sale by all druggists.

## PORT ORANGE NEWS

Mrs. Barron who has been away returned last week.

Capt. Alexander returned home to Lake Berrard last Tuesday.

Oscar Ross from New Smyrna is visiting his sister Mrs. Jas. Parrot.

Mr. Howard, the Deland surveyor, was here last week surveying the Allen place.

Mr. Carter's family have moved into their new home opposite the Luffery factory.

A Cook, a prominent pineapple planter, was calling on his friends here last week.

J. Wesley Johnson was a visitor in town Sunday. He informed us that his wife had returned home from visiting her parents in Alabama.

Rev. Pattillo and family arrived last week. Mr. Pattillo has secured a situation in Fozzard's store, and they expect to make Port Orange their permanent home.

Rolly Johnson has a lot of lumber on the bank of the river ready to take around to the Gamble place on Spruce Creek where he has to build a wall for Mr. Gamble.

Ed. Snow and family drove down from Daytona, accompanied by Mrs. Montague, to visit Mrs. H. H. Robinson who expects to leave for Cuba soon to join her husband who is located there.

We took a walk into South Port Orange to note the improvements and saw that Mr. Wells had made a good start on the Fox house also the fine substantial stone sea wall that Mr. Kennedy has built along the front of J. R. Whites property and the pier with a pavilion at the end, making a fine place to fish.

P. D. Parker, of Oak Hill, the largest wholesale fisherman in this section, deals exclusively in trout which are caught with hook and line. He says this has been a very successful season; but last year was the banner season, as he shipped 68,000 pounds of trout in two months; all of them were caught with hook and line.—New Smyrna Breeze.

The Salvation Army is preparing to invade Brevitt county, Ky., for the purpose of reforming the feudists.

## THE TOYS

By Coventry Patmore

COVENTRY KEARSEY DEIGHTON PATMORE, English poet and critic, was born July 23, 1823, and died Nov. 26, 1896. From 1847 to 1863 he was assistant librarian of the British Museum. Patmore's verse was at first ridiculed by the critics, but he lived to see it recognized as among the best of his time. "At his best," says one writer, "Patmore is surpassed by very few poets of his generation." His principal works are "The Angel in the House," "The Victories of Love" and the "Poems." "The Toys" is probably his most popular single poem.

MY little son, who looked from thoughtful eyes  
And moved and spoke in quiet grown-up wise,  
Having my law the seventh time disobeyed,  
I struck him, and dismissed—  
With hard words and unkind—  
His mother, who was patient, being dead,  
Then fearing lest his grief should hinder sleep,  
I visited his bed.  
But found him slumbering deep.  
With darkened eyelids, and their lashes yet  
From his late sobbing wet.  
And I, with moan,  
Kissing away his tears, left others of my own;  
For on a table drawn beside his head,  
He had put within his reach,  
A box of counters, and a red-velvet stone,  
A piece of glass alarmed by the beach,  
And six or seven shells.  
A bottle with bluebells,  
And two French copper coins, ranged there with careful art,  
To comfort his sad heart.  
So when that night I prayed  
To God, I wept, and said:  
Ah, when at last we lie with tranced breath  
Not vexing Thee in death,  
And Thou rememberest of what toys  
We made our joys,  
How weakly understood  
The great commanded good,  
Then, fatherly not less,  
Than I whom Thou hast molded from the clay,  
Thou'lt leave Thy wrath, and say,  
"I will be sorry for their childishness."

## Opinions of the Other Fellows.

It must have been very moist in the office of the Lake Worth News last Saturday when one printer sat out to another: "Hey, there, Jack! Swim around to the pea case and bring me a three-cent quail."—Miami News.

Candidates should not be too severely censured for landing themselves in their public utterances. Many of them doubtless have in mind the man who exclaimed: "He who bloweth not his own bawls, the same shall not be blown."—Pensacola Journal.

It seems that the Florida press as a whole was never before more united upon any important subject than they are just now for the election of Robert W. Davis for governor, and the return of Jas. P. Taliaferro to the United States Senate. And the sentiment of the press is a safe criterion by which to judge public sentiment.—Chipley Banner.

Don't get excited in this political campaign, which has opened rather early. Don't go off half-cocked and call names and use bad language, if you wish to get near to the people and win their votes. Such language and tactics only disgust sensible people while they frighten timid women and little children. The day of the campaign of the bully has played out in Florida.—Leesburg Commercial.

One thing can be said of Railroad Commissioner Barr's border plate canvass. He paid the newspapers for printing his platform and furnished them the matter and composition. He did not whine because the papers, which opposed his candidacy, declined to go to the expense of printing his speeches, but did business with the business manager.—St. Augustine Record.

Dougherty, it is said, has seen Barrs and gone him one better, and that the "tail express of the Halifax" is jumping straight up and down on the corporations. Barrs is doing the same thing, of course to get votes—and Charley—well, it remains to be seen what he is doing, for, though with both running on the same platform, it does not require a very wide stretch of the imagination to conclude that Dougherty will get 16 to Barrs' 1 in the final count.—Orlando Sentinel-Reporter.

## Beautiful Women.

Plump cheeks, flushed with the soft glow of health and a pure complexion, make all women beautiful. Take a small dose of Horbina after each meal; it will prevent constipation and help digest what you have eaten. See Mrs. Wm. M. Stroud, Midlothian, Texas, writes May 31, 1901: "We have used Horbina in our family for eight years and found it the best medicine we ever used for constipation, bilious fever and malaria." Sold by J. M. Jones.

The drawing of about 1,200 plans, at a cost of \$75,000, is necessary before the government begins the construction of a battleship.

## Neglected Colds.

Every part of the mucous membrane—the nose, throat, ears, head and lungs, etc.—are subjected to disease and blight from neglected colds. Ballard's Homebound Syrup is a pleasant and effective remedy. See, for example, W. Alexander, Valley Mills, Texas, writes: "I have used Ballard's Homebound Syrup for coughs and throat troubles. It is a pleasant and most effective remedy." Sold by J. M. Jones.

The postmaster general has ordered free delivery established at Gainesville, Florida.

## Grip's

Grim Grasp Caused Heart Disease.

Could Not Lie On Left Side.

Dr. Miles' Heart Cure and Nervine Cured Me.

Mrs. H. R. Joke, formerly of Birmingham, Ala., writes from Eldridge, the same state, as follows:

"It is with the greatest pleasure that I recommend Dr. Miles' Nervine and Heart Cure. I only wish that I could tell every sufferer how much good they have done me. Last winter I had a severe attack of La Grippe, which left my heart in a very bad condition. I could not lie down for the smothering spells that would almost overcome me and the feeling of oppression around my heart. I had not been so that I could lie on my left side for a long time. I got your Heart Cure and took three bottles. I have no trouble now with my heart and can lie on my left side as well as my right. Formerly I had suffered for years with nervous prostration. I had tried so many remedies that I had got clear out of heart of getting anything that would help me. The nerves of my heart were so affected that sometimes it would lose beats so it would seem to stop altogether. It was on the advice of a lady friend that I tried your Restorative Nervine. I felt better after the first few doses and two bottles of Nervine and one of Heart Cure made me feel like a new person. My heart is all right and my nervousness is all gone. I never fail to recommend it to others afflicted as I was." All druggists sell and guarantee first bottle Dr. Miles' Restorative Nervine. Send for free book on Nervous and Heart Diseases. Byer, Little Rock, Hancock, Md. For sale by all druggists.
